

**K.R. MANGALAM WORLD SCHOOL, G.K-II
PARENT CIRCULAR**

Date: August 8, 2023

Dear Parent,

The mobile phone, one of the modern social media, has a tremendous influence in the society. The same gadget used early for very limited purposes is now being used for several matters. It has been seen that, it is used increasingly for undesirable purposes nowadays and the use of mobile phones has become a menace in the school atmosphere. Therefore, we at K. R. Mangalam World School, GK-II strictly believe in strict ban on the usage of mobile phone by students in school.

The ubiquitous mobile phone has seeped into the lives of every individual. It is imperative for us to reflect on this over dependence on technological interventions which can have both positive and negative impacts.

The use of mobile phones needs to be restricted in school environments due to the following reasons:

- Mobile phones can be a serious cause of distraction, lack of concentration, anxiety, fear and sometimes even misuse.
- The cameras which are a common feature now in most mobile phones can also be misused.
- Students easily gets distracted through social media
- Some students easily get addicted to texting which creates behavioural problems
- Unwanted communication and false communications without actual occurrence of events
- Cyberbullying and other problems faced by teenagers during school gets increased through cell phone communication

Parents are humbly advised to keep a note that their ward is not carrying phone to school so that more meaningful learning atmosphere can be created in the classroom, which makes for a better ambience and school environment. We also urge parents to inform the teacher well in advance in case a child is supposed to bring the phone, due to any unavoidable circumstances.

Looking forward to your cooperation in our endeavour to bring out the best in our students.

Dr. Jyoti Gupta
Director & Principal
