Mission and Vision of K.R. Mangalam Group of Schools, GK-II

VISION

K.R. Mangalam World School envisages in providing a curriculum that aims excellence with a global perspective and a comprehensive learning environment to impart education which addresses the emotional, social, ethical, cultural ethos and academic needs of students in an integrated learning format. The school aims in providing a blend of Experiential Learning, Joyful Learning, 21st Century Skills, Inclusive Education and Competency Based Learning in the education structure.

MISSION

K.R Mangalam World School, GK-II strives to be a paradigm in stimulating the curiosity of learning, discovering interests, fostering a culture of creativity and helping the young minds to grow in their love of learning. The school strives to achieve the following:

- Making the learners realise their true potential and innate talent.
- Encouraging students to become inquirers, thinkers and open minded risk takers.
- Fostering in them the ability to communicate effectively.
- Creating active and engaged participants in an interconnected world.
- Improving the teaching and learning of a diverse and inclusive community of students and developing in them universal human values.
- Promoting intercultural understanding and respect as an essential part of life.

From The Principal's Desk

“Excellence is a blend of inspiration, commitment, and consistent effort that transforms values into purposeful action.”

Every new academic year brings a fresh beginning - an opportunity to set meaningful goals, embrace challenges, and grow through learning experiences. It is a time to reflect on achievements, learn from the past, and move forward with renewed enthusiasm and determination.

Aligned with the vision of the National Education Policy 2020, we strive to provide an education that is holistic, learner-centred, and future-oriented. Our focus is to nurture curiosity, critical thinking, and conceptual understanding so that students do not merely acquire knowledge but learn to apply their learning meaningfully in real-life situations and meet unforeseen challenges.

We envisage individualized learning and seek to explore the potential of every child through academic rigour and experiential learning. A positive and progressive outlook remains our strength. By integrating skill education into classroom practices, projects, and collaborative activities, students develop practical competencies, creativity, communication skills, and problem-solving abilities which are the competencies required for the 21st century. Keeping our motto “Together Towards Tomorrow” at the core, we continue to build upon the values of perseverance, respect, empathy, and teamwork so that every learner grows into a confident and responsible individual.

At K.R. Mangalam World School, we strongly promote art-integrated learning, where performing arts and visual arts seamlessly find an integration and are built into an understanding across subjects. Such integration not only deepens comprehension but also encourages imagination, cultural awareness, and self-expression. Alongside academics, sports and physical education form an essential part of school life. Participation in games and fitness activities nurtures discipline, resilience, leadership, and the spirit of healthy competition while ensuring physical and emotional well-being. The school also promotes dedicated one hour sports session every day that works on the health and well-being of every student and cultivates the culture of camaraderie and collaborative learning.

The school almanac serves as an important link between the school, students, and parents. It provides guidelines regarding policies, rules, and academic schedules for the session 2026-27, while reinforcing discipline, communication, and overall development. It is also a window into the wide range of activities designed to support holistic growth and emotional well-being.

As we step into another promising academic year, let us work together as a community in a shared pursuit of knowledge, character building, and excellence. With cooperation and commitment from all the stakeholders, we can create an environment where every child feels valued, inspired, and empowered to realize his or her true potential. Together, let us embark on a journey of discovery and achievement, shaping a future that is bright and boundless.

Pledge

India is my country.
All Indians are my brothers and sisters.
I love my country,
and I am proud of its rich
and varied heritage.
I shall always strive to
be worthy of my country.
I shall respect my parents,
teachers and all elders
and treat everyone with courtesy.
To my country and my people,
I pledge my devotion.
In their well being and
prosperity
alone lies my happiness.

School Song (Hindi)

दिखने में हम छोटे हैं पर नही किसी से कम
के० आर० एम के बच्चे करते काम बड़े हरदम।

हमारी एक डगर है, हमारा नया सफ़र है
न अपनी सीमाएँ हैं न कोई पहरेदार।
पूरब, पश्चिम, उत्तर, दक्षिण, बाँटे सबको प्यार
बड़े-बड़े आए भटकाने, पर न भटके हम।
के० आर० एम के बच्चे करते.....।

लक्ष्य न ओझल होने पाए, राह बताता चल
शिक्षा का तूफान उठा दें, ठहर न तू इक पल
नए कीर्तिमानों से, ध्वज फहराए जा।

उजड़े हुए हर इक गुलशन में
फूल खिलाना है, भूले-भटके हर राही को
राह पर लाना है, नैतिकता के कर्मों से
सार्थक हो ये जन्म, के० आर० एम के...

School Song (English)

English translation of the school song.

Under the flag of KRM, our dreams begin to live
No matter how young we may look, we are ready to give
The precious gifts of the jewels we bear
Love and peace with the world we share.

The journey of life that we undertake
All hurdles we cross, all barriers we break
The goals we set, the dreams we weave
We strive to get what we want to achieve

We pledge to take forward this light of learning
May this fire of knowledge always keep burning
May God help us succeed in our endeavour!
May the name of KRM keep soaring forever!

*In the present, the future, we borrow
Marching Together Towards Tomorrow.*

Prayers

"Morning Prayer"

Our father who art in heaven,
Hallowed be Thy name,
Thy kingdom come
Thy will be done,
On earth, as it is in heaven.
Give us this day, our daily bread,
And forgive us our trespasses,
As we forgive those, who trespass against us
And lead us not into temptation,
But deliver us, from evil,
for Thine is the kingdom,
The power and the glory,
For ever and ever.... Amen....

"PRAYER BEFORE MEALS"

Thank you God
for the world so sweet.
Thank you God
for the food we eat.
Thank you God
for the birds that sing.
Thank you God
for everything.

"PRAYER AT THE END OF THE DAY"

O God ! infinite wisdom
and source of all knowledge
Bless our studies,
which we dedicate to you,
Strengthen our minds
and direct our wills
Towards what is right.

Prayers

Give me a cheerful spirit God, Inspire me to smile
that I may help a weary world along each passing mile,
I want to be an optimist and look beyond the rain
Instead of always looking for some reason to complain.

Lord, make me an instrument of thy purpose,
Where there is Hatred, let me sow Love
Where there is Injury-pardon
Where there is Doubt-Faith
Where there is Despair-Hope
Where there is Darkness-Light
Where there is Sadness-Joy
O Divine Master, grant that I may not so much seek to be
consoled as to console; to be understood, as to understand to
be loved as to love.
For it is in giving that we receive, it is in forgiveness, that we are
forgiven.

We thank you loving father, for all your tender care,
For food and clothes and shelter and all the world so fair,
We thank you loving father,
For this day now begun,
may our actions be ever pleasing,
To you and everyone.

Father we thank you, for the night,
And for the pleasant morning light,
For rest and food and loving care,
And all the makes, the world so fair,
Help us to do the things we should,
To be to others kind and good, In all we do,
in all we say, to grow more loving every day.

Father, be with me as I take this exam.
Keep my mind alert and my memory sharp.
Calm my nerves and help me concentrate.
Help me do my examination well
Sharpen my intelligence so that
I understand well the questions
Which I have learnt
Guide me to write neatly and clearly
Help me to finish my exam in time
So that I am able to revise
What I have written
Help me to overcome temptations
And do my exam honestly
With Your blessings and guidance Lord
I know I cannot fall in any endeavour
Through Jesus Christ our Lord
Amen

We thank You, Lord, for one more day,
For books and work, and walk and Play,
We thank You for games and fun,
For day light, and the golden sun
We thank You for the food we eat,
For friends and people that we meet,
For animals and trees and flowers,
And all the blessings which are ours.

God give me courage, To do what is right
Courage to speak, courage to fight
For honesty, goodness, justice and truth;
Courage to choose, the good in my youth,
Courage to own, when I'm in the wrong;
Courage to face the day, with a song,
Courage to guard my thoughts and my tongue
Courage to choose the right when I'm wrong.

सरस्वती वन्दना

हे शारदे माँ, हे शारदे माँ।
अज्ञानता से हमें तार दे माँ।
तू स्वर की देवी, ये संगीत तुझसे।
हर शब्द तेरा है, हर गीत तुझसे।
मन से हमारे मिटा दो अँधेरे।
हमको उजालों का संसार दे माँ।।

तू श्वेत वर्णी कमल पे विराजे,
हाथों में वीणा, मुकुट सर पे साजे।।
हम हैं अकेले, हम हैं अंधरे,
तेरी शरण में, हमें प्यार दे माँ।।

मुनियों ने समझी, ये गुणियों ने जानी।
वेदों की भाषा, पुराणों की वाणी।।
हम भी तो समझे, हम भी तो जानें।
विद्या का हमको वरदान दे माँ।।
हे शारदे माँ, शारदे माँ।

तू हमारा पिता

तू हमारा पिता, हम तेरे लाडले,
हम पे रखना सदा तू, मेहर की नजर।
माँफ करना हमें, नासमझ जानकर,
हमसे हो जाए कोई, खता भी अगर।
तू -----
हम नहीं जानते, जिंदगी की डगर,
खो ना जाएँ कहीं हम, इधर से उधर।
आसमाँ पर भी तू है,
जमीं पर भी तू।
आसरे पर तेरे है, हमारा सफर।
तू -----
धर्म की पालना हो, हमारा करम,
मन में बस जाए, हो ना कोई भी भरम।
नेक राह पर चले, करें अपना करम,
मुश्किलों से रहें हम, सदा बेखबर।
तू -----

तू ही राम है

तू ही राम है, तू रहीम है।
तू करीम, कृष्ण, खुदा हुआ
तू ही वाहे गुरु, तू ईसा मसीह,
हर नाम में तू समा रहा

तेरी जात पात कुरान में, तेरी दर्श वेद पुराण में,
गुरुग्रंथ जी के बखान में, तू प्रकाश अपना दिखा रहा
तू ही राम.....

विधि वेद का है ये सदवचन, तेरा भक्त तुझको बुला रहा

English Songs

Together Towards Tomorrow

We are the children of tomorrow
Coming together, being together
Building bridges, uniting nations
Dawning a new hope
Making a new whole world.

Make Me A Channel of Your Peace

- 1) Make me a channel of your peace
Where there is hatred, let me bring your love
Where there is injury, your pardon lord
And where there's doubt, true faith in you.

Chorus: O! master great that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all to my soul.

- 2) Make me a channel of your peace
Where there is despair, let me bring in hope
Where there is darkness, lord, you, shining light
And where there's sadness every joy.
- 3) Make me a channel of your peace
It is in pardoning, that we are pardoned.
In giving to all men, that we receive
And in dying, that we're born to eternal life.

The Joy of The Lord is My Strength

- 1) I give my hands to do your work
And, sweetest Lord, I give them willingly
I give my feet to go your way
And every step I shall take cheerfully.

Chorus: O! the joy of the Lord is my strength
O! the joy of the Lord is my help,
my help for the power of the spirit is in my soul
and the joy of the Lord is my strength.

- 2) I give my eyes to see the world
and everyone in just the way you do
I give my tongue to speak your words
To spread your name and freedom giving truth.
- 3) I give my mind in every way
so that each thought I have will come from you
I give my spirit to you, O Lord!
and everyday my prayer will spring a new.
- 4) I give my heart that you may love
In me your Father and the human race
I give my self that you may grow
In me and make my life a song of praise.

People Over The World

- 1) People over the world reach out your hands,
Touch one another people over the world
Just understand and love each other.
We have one life to live, so much to give;
So much to share, there is love to be found
Just look around, there's happiness there.
- 2) People over the world, we are same
with different colours, people over the world
Love without shame like sisters and brothers.
Face each day with a smile and in a while,
while sunshine appears you feel warm deep inside
No need to hide from danger and fear.

G. Goal Setting Guidelines

“Setting goals is the first step in turning the invisible into visible.”

Goal setting helps students understand where they are, where they want to go, and how they can reach there. Clear goals give direction to effort, build focus, and motivate students to work with purpose and confidence.

Why Goal Setting?

Goal setting encourages students to reflect on their learning, recognize their strengths, and identify areas for improvement. It helps them develop essential life skills such as planning, organization, time management, self-awareness, and effective communication. Most importantly, it teaches students that success is achieved through consistent effort and positive habits.

How does the School Supports Goal Setting?

To support this process, the school provides a structured Goal Setting Form, which is introduced and discussed during the first Parent–Teacher Meeting (PTM) of the new academic session. With the guidance of teachers and the support of parents, students set academic and personal goals that are realistic, meaningful, and age-appropriate. Teachers regularly encourage students to reflect on their goals, track their progress, and celebrate improvements—big or small. This collaborative approach helps students stay motivated and accountable throughout the academic year. By nurturing the habit of goal setting from an early age, we empower our students to become confident learners, responsible individuals, and lifelong achievers.

H. Bagless Days Guidelines

In alignment with the National Education Policy (NEP) 2020 and CBSE guidelines, the school organizes Bagless Days for students of Classes VI to VIII. These days are mandated and aim to encourage experiential, joyful, and skill-based learning.

“Learning is best when it is experienced, not memorized.”

Significance in Holistic Development

On bagless days, students participate in project-based learning, art-integrated activities, collaborative tasks, and Kaushal Bodh projects.

These hands-on projects enable students to:

- Apply classroom learning to real-life situations
- Develop practical and vocational skills
- Explore individual interests and strengths
- Enhance creativity, critical thinking, and collaboration

Alignment with NEP 2020 & CBSE

NEP 2020 strongly advocates bagless days for middle school students to promote:

- Experiential and competency-based learning
- Integration of Kaushal Bodh and vocational exposure
- Reduced rote learning and exam pressure
- Multidisciplinary, joyful, and student-centered education

CBSE supports the implementation of bagless days as part of curriculum enrichment to ensure learning remains inclusive, practical, and relevant.

Learning Beyond Textbooks

Bagless days help students realize that learning extends beyond textbooks and classrooms. By participating in Kaushal Bodh projects and experiential activities, students gain confidence, independence, and a deeper understanding of real-world applications. Through bagless days, the school reinforces its commitment to nurturing confident, skilled, and future-ready learners, in harmony with national educational reforms.

Formative Assessment: represents the process of gathering, analyzing, interpreting and using the evidence to improve student learning and to help students achieve their utmost potential. It is one essential component of classroom practice and needs to be integrated into the curriculum. We, at K.R Mangalam World School, G.K-II adopt a variety of strategies and tools for Formative Assessment:

Some of these are: Monday Tests , Home Assignments, classwork, written work, research, projects, worksheets, problem solving , Oral Activities, Practical work , Group work in the form of research projects , Group discussions , Peer assessment , Field work etc.

There is continuous evaluation followed by regular feedback to learners in the form of tutorials and discussions. The Formative Assessment Strategies that are being undertaken provide a balanced view of the student. The formative assessment will help teachers to: Identify and respond to students' differential needs and styles of learning.

Support each student to achieve his/her individual potential.

Teach students to reflect on their own learning and to analyse their personal strengths and weaknesses in a constructive manner.

Rubrics for assessment of all subjects are framed by the respective teachers as per the assessment objectives laid by CBSE & NCERT. Each component of the rubric is assessed by awarding marks on different skills developed during the teaching- learning process.

The components are as follows: Observations: All students will be observed regularly with a focus on the individual, the group and the whole class, on punctuality, interest, attentiveness, student's self- reflection, self and peer assessment etc.

Research: Students will be presented with tasks that represent challenges , risk etc .These include performance in Monday tests, recalling session, homework, reports, essay etc. Inter-disciplinary Skills: (research, thinking, communication, self-management): The focus is on the process and skill application rather than on the product.

Learner Profile Attributes: The development of learner profile attributes during the teaching learning process will be assessed. Open-Ended questions: Students will be presented with a challenge and asked to provide an original response in class room discussions. Tests/Quizzes: These are aimed at providing a snapshot of students' specific knowledge that he/she acquires.

Assessment Policy

Portfolios and Goal Setting: Students will be expected to maintain a file consisting of records of special work produced by them during each session and reflections on what they have achieved. These would be an evidence of what they have done in class.
