**TOGETHER TOWARDS TOMORROW**

# Editorial Desk

“Education is the key that unlocks the golden door to freedom.” —George Washington Carver

Each issue of our school magazine is a milestone that marks our growth, unfolds our imaginations, and gives life to our thoughts and aspirations. It unleashes a wide spectrum of creative skills ranging from writing to editing and even in designing the magazine.

Education isn't about how much you've committed to memory, or how much you know. It's about being able to differentiate between what you know and what you don't. K.R. Mangalam World School initiates this notion and helps the learners to imbibe the positive thoughts.

We wish our readers Happy and Joyful reading!

# PRINCIPAL'S MESSAGE

“Empowering Excellence: Unleashing the Potential Within”

"As we navigate the journey of excellence, I invite you to embark on a new challenge, to seize every moment, and to unfurl your odyssey of brilliance! At K.R. Mangalam World School, we are dedicated to cultivate leaders who radiate resilience, creativity, and empathy, making a significant impact in our school and beyond.

Our aim is to transform vision into triumph through deliberate action, moulding individuals into lifelong learners, poised to create, innovate, and inspire. We nurture hearts and minds, instilling confidence, discipline, and social responsibility, transcending conventional learning.

Every student of KRM, pulses the essence of tenacity and an unwavering spirit. We celebrate victories with grace and humility, fueled by wisdom. Perfection is not a prerequisite; just take that initial step, and we will support you every step of the way.

I extend my gratitude to our esteemed parents, our partners in excellence, our pillar of strength, our teachers for their unwavering support. Together, we elevate benchmarks, innovate fearlessly, and ascend to greater heights.

Our school magazine, Nirantar is a celebration of our growth, creativity, and aspirations. I invite you to join us on this journey, to seize every moment, and to make your mark."

SUMMER CAMP HIGHLIGHTS!

WORLD BICYCLE DAY CELEBRATION

# A FRESH START: WELCOMING THE NEW SESSION WITH POSITIVITY!

Our school held a special morning assembly to mark the start of the new academic session. The event began with a warm welcome, setting a cheerful tone for the year. The Thought of the Day encouraged students to embrace new beginnings with enthusiasm, followed by a News Update that kept everyone informed. A soulful song performed by students added joy to the atmosphere. The highlight was the Principal's Address, where she motivated students to set fresh goals, work hard, and seize every learning opportunity. The assembly ended on an inspiring note, filling students with confidence and energy for the journey ahead.

# SPECIAL ASSEMBLY ON THE FESTIVE OCCASION OF EID

Our classes 4 & 5 conducted a special assembly to celebrate the festive occasion of Eid. The assembly was attended by the students from classes 3rd to 9th.

The assembly began with a prayer and followed by a brief introduction about the significance of Eid. Students presented National, International, Sports, School News and Weather Report. They enlightened us about the history and importance of Eid, highlighting the values of kindness, generosity, and compassion that are associated with this festival.

The assembly also featured a wonderful dance performance, which was performed by our talented students. The performance depicted the true essence of Eid, showcasing the joy, love, and unity that this festival brings to people's lives.

Additionally, we had a prize giving ceremony and our respected vice principal ma'am distributed medals and certificates to our young achievers for NMO followed by her inspiring words.

The assembly concluded with national anthem emphasizing the importance of celebrating our diversity and promoting harmony and understanding among people of different faiths and backgrounds.

# 12TH TAFS MINI FOOTBALL TOURNAMENT

Students of KR Mangalam World School, GK-II, made the school proud with achievements in both sports and technology. Class 5 students excelled in the 12th TAFS Mini Football Tournament in the Junior Boys category, showcasing their determination. Meanwhile, Class 8 students received Certificates of Completion from the Centre for Development of Telematics (C-DOT) for successfully completing an online training course in Java and Python. These accomplishments highlight the school's commitment to holistic education.

## WORLD THEATRE DAY

K R Mangalam World School, GK-II, celebrated World Theatre Day with a vibrant assembly for Classes 3 to 9, highlighting theatre's power as a social catalyst. The event featured a thought-provoking Mime Act on the impact of technology, portraying its overuse as a double-edged sword.

Another standout was a segment on Dharamvir Bharati's timeless classic, *Andha Yug*, exploring the moral dilemmas of war. The assembly emphasized how theatre transcends entertainment, shaping perspectives and inspiring change. Mrs. Subarna Zaman, the Junior School Coordinator, addressed the gathering, reinforcing theatre's role in society. The celebration left a lasting impression.

# "Healthy Beginnings, Hopeful Futures"

World Health Organization

## WORLD HEALTH DAY

Students of Classes 3, 4, and 5 at K.R. Mangalam World School celebrated World Health Day on April 7, 2025, with enthusiasm through engaging classroom activities.

They participated in a vibrant poster-making session, creatively highlighting themes like balanced nutrition, hygiene, exercise, and mental wellness. Students also shared their thoughts on healthy habits, discussing the importance of nutritious food, physical activity, and cleanliness. The celebration promoted awareness and inspired young learners to embrace a healthier lifestyle.

## CRAFTING VIBRANT POSTERS ON RAM NAVAMI

The students of Classes III-V at K.R. Mangalam World School, G.K.-II, showcased their creativity and enthusiasm by crafting vibrant posters on Ram Navami. Their posters reflected the festival's cultural and religious significance, with insightful lines, captivating drawings, and heartfelt messages. This activity not only deepened their understanding of the occasion but also fostered teamwork, cooperation, and artistic expression. By exploring Ram Navami's traditions, the students gained a broader appreciation for India's cultural heritage.

# THE THREE-DAY TRIP TO JIM CORBETT NATIONAL PARK

## Wild Wonders and Wowed Hearts: A Thrilling Expedition to Jim Corbett

K.R. Mangalam World School, G.K-II, organized a memorable three-day trip to Jim Corbett National Park for students of Classes IV, V, and VI from April 14–16, 2025. The journey began with a visit to the Garjiya Devi Temple, followed by an evening documentary screening. On the second day, students enjoyed adventure activities like ziplining and obstacle courses at the Adventure Park, followed by an exciting jungle safari where they spotted deer and various bird species. The day ended with another documentary and a vibrant talent show. The final morning was spent poolside, bonding with friends before returning to Delhi. The trip offered a perfect blend of fun, learning, and cultural exploration, leaving students with cherished memories and a deeper connection to nature.

# ASSEMBLIES

## CLASS ASSEMBLY: V A

The students of Class 5A presented the special assembly on Ramnavami. The main objective of the assembly was to make the students aware of the significance of Ramnavami and how the festival is celebrated in Hindu culture. The assembly started with the students updating the audience with the national news, international news, sports news, KRM news, and the weather update. The students spoke about the importance of Ramnavami and the teachings of Lord Ram. Bhajan - Ram ayenge was sung and a skit was performed which showcased the strength of women and the victory of good (Ma Durga) over evil (Mahishasur) through a beautiful dance performance. The assembly ended with the motivating words of our respected co-ordinator Ms. Subarna Zaman.

## CLASS ASSEMBLY: V B

To pay tribute to Dr. B.R. Ambedkar, Class V B conducted a special assembly on Ambedkar Jayanti on April 15, 2025, in the school amphitheatre. A display board was also set up to spread awareness. The assembly began with a drill, morning prayer, news updates, weather report, and inspiring thoughts of the day. Students delivered a speech on the significance of the day, followed by a welcome dance on a song dedicated to Ambedkar. A powerful mime skit showcased his struggles against untouchability and his contributions to social justice and the Indian Constitution. Suberna ma'am further briefed students about Ambedkar's life and legacy. The assembly concluded with a heartfelt thank-you note, leaving everyone inspired.

# HAPPY EASTER DAY

## CLASS ASSEMBLY: V C

The students of Class V C organized a special Easter assembly in the school Amphitheatre, featuring a display board to raise awareness about the significance of Easter, which commemorates the resurrection of Jesus Christ. The assembly included a morning prayer, news updates, a thought for the day, and information about Easter.

Students then reflected their understanding of Easter through thoughtful sharing, showcasing their knowledge and insights. This was followed by a soulful Easter song, and subsequently, they distributed Easter gifts to spread joy and festive cheer. A student also shared an experience related to Jim Corbett. Subarna ma'am delivered an informative briefing about Easter, followed by a thank-you note from the students. The assembly concluded with the National Anthem, sung with pride and honor by students and teachers, fostering a sense of community and shared values.

# CLASS ASSEMBLY: V D

## Heartfelt Tribute – Mother's Day Assembly

Class V-D of K.R. Mangalam World School, GK-II, conducted a heartfelt assembly on Mother's Day, celebrating the love, care, and strength of mothers. The assembly began with a warm welcome and a reflective prayer, followed by a melodious song dedicated to mothers. Students shared English and Hindi thoughts of the day, along with news updates on international, national, sports, KRM, and weather topics. A highlight of the event was the skit "The Superpower Called Mom," portraying the silent strength and daily efforts of mothers. A graceful dance added to the emotional tone. Subarna Ma'am appreciated the students' efforts with her motivating words. The assembly concluded with the national anthem, leaving the audience deeply moved.

## CLASS ASSEMBLY: V E

### Celebrating the Legacy of Rabindranath

On May 7, 2025, Class 5E of K.R. Mangalam World School, GK-II, celebrated the birth anniversary of Rabindranath Tagore with great enthusiasm and reverence. The assembly began with a solemn prayer, followed by a soulful song sung with dedication. Students shared current affairs and an inspiring thought of the day. A heartfelt speech on Tagore's life highlighted his contributions to literature and the nation. A vibrant folk dance on a Bengali song, along with poem recitation and a musical performance, beautifully conveyed the depth of Tagore's work. Ms. Subarna Zaman, the primary coordinator, appreciated the students' efforts. The assembly concluded with the National Anthem sung with deep patriotism.

## BAISAKHI

The harvest festival of Baisakhi was celebrated with great zeal and enthusiasm to help our young buddies get culturally connected. The Little Wonders Wing came alive with the mesmerizing dhol beats in the air. Our little ones danced on the foot tapping music and looked beautiful in their vibrant Punjabi attire. The celebration brought our little ones closer to the dazzling beauty of the Indian culture.

## SUMMER CAMP HIGHLIGHTS!

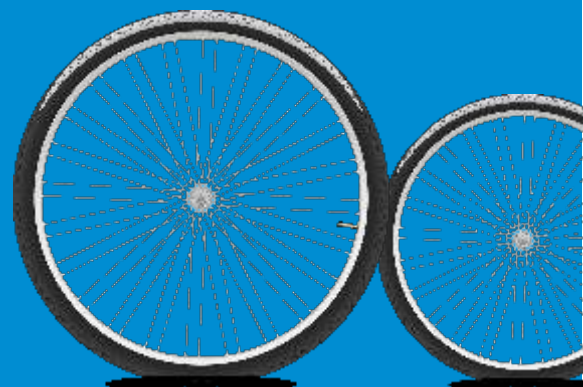

What an incredible few days it's been at our Summer Camp 2025! From music and dance to baking, sports, theatre, sculpture, art, and craft. Intensive workshops on robotics, photography & more our talented campers explored it all with smiles, laughter, and limitless creativity! Each day was a celebration of learning and fun, helping children discover their passions, build confidence, and make lifelong memories with new friends! Our little stars truly shone bright this summer!

# CYCLING FOR A SUSTAINABLE FUTURE

## WORLD BICYCLE DAY CELEBRATION

K.R. Mangalam World School, G.K 2, on 3rd June 2025, proudly celebrated World Bicycle Day by promoting the importance of fitness, sustainability, and eco-friendly living. Our enthusiastic students participated in this special event, showcasing their commitment to a healthier lifestyle and raising awareness about the benefits of cycling. Their energy and spirit truly inspired everyone! Let's continue to pedal towards a greener and healthier future!

## VEDIC MATH

K.R. Mangalam World School, GK2, has launched the Vedic Math Club as part of its commitment to modern, skill-based education. The club introduces students to Vedic Mathematics, an ancient Indian system known for its mental calculation techniques and unique problem-solving methods. By learning these shortcuts, students can improve their speed, accuracy, and confidence in math. The club not only enhances mathematical skills but also builds mental agility, aiding in problem-solving beyond the classroom. It also gives students an edge in competitive exams by improving calculation efficiency, while fostering a genuine love for numbers.

Yoga is the journey of the self,  
through the self, to the self.

## YOGA

K.R. Mangalam World School, GK2, promotes students' physical and mental well-being through yoga. It enhances flexibility, strength, and overall fitness while encouraging healthy lifestyle habits. Yoga helps reduce stress, anxiety, and depression by building emotional resilience. Mindfulness and meditation improve focus, boosting academic performance. It fosters self-awareness, aiding emotional regulation and better relationships. Yoga also instils values like patience, discipline, empathy, and respect, nurturing personal growth.

## HOME SCIENCE

K.R. Mangalam World School, G.K.2, values every student and promotes equality through inclusive subjects like Home Science. The subject teaches essential life skills such as cooking, nutrition, budgeting, and home management, fostering self-reliance and responsibility. It encourages healthy eating, food safety, and informed lifestyle choices. Hands-on activities develop critical thinking and decision-making skills. Home Science also introduces students to career paths in nutrition, hospitality, design, and social services. By involving all genders, it breaks stereotypes and promotes shared responsibilities, while also emphasizing sustainability and eco-friendly living.

## HERITAGE AND ECO CLUB

K.R. Mangalam World School, G.K.2, proudly hosts the Eco Club to instill environmental responsibility and promote sustainable living among students. Aimed at classes 6–8, the club introduces ecological science, conservation, and green practices through hands-on, eco-friendly activities. Guided by dedicated teachers, students learn to make sustainable choices and develop a strong sense of environmental stewardship. The club fosters awareness beyond academics, shaping students into responsible global citizens committed to protecting the planet. It reflects the school's commitment to holistic education that nurtures both knowledge and social responsibility.

## FASHION STUDIES

K.R. Mangalam World School, G.K.2, offers a dynamic Fashion and Art program that helps students explore design, color theory, and cultural influences. Through activities and workshops, students learn to distinguish between warm and cool colors and how colors express emotions. They created artwork using these palettes and engaged in discussions to deepen understanding. Students also explored traditional tie and dye techniques from Rajasthan and Gujarat. The program broadens their perspective by connecting fashion to cultural, historical, and social contexts.

## ATAL ROBOTICS

K.R. Mangalam World School, GK2, continues to lead in innovative education with the launch of the Atal Robotics Club, preparing students for the digital age. The club offers hands-on learning in STEM—science, technology, engineering, and mathematics—fostering deeper understanding and interest. Students explore cutting-edge tools, stay updated with tech trends, and even develop innovative projects with entrepreneurial potential. Robotics promotes interdisciplinary learning, connecting concepts from physics, math, computer science, and engineering, offering a well-rounded and future-ready education.

## CHANGE MAKERS

K.R. Mangalam World School, GK2, has introduced the Change Makers Club to foster social responsibility, leadership, and community engagement. The club helps students understand their societal role and encourages them to address social issues. One key initiative includes creating paper bags from newspapers, promoting creativity and reducing plastic use. Through such projects, students develop leadership skills like decision-making, public speaking, and teamwork—essential for both personal and professional growth.

## MIX MEDIA

K.R. Mangalam World School, GK2, offers a Mix Media Club that combines visual arts, digital media, sound, and text to enhance creativity and learning. The club encourages students to experiment with various forms of expression, fostering innovation and imagination. It also helps them develop technical skills using tools like graphic design software and video editing programs—skills valuable for both creative projects and future careers.

## ENGLISH THEATRE

At K.R. Mangalam World School, GK2, the English Theatre Club offers students a platform to express real-life scenarios through engaging performances that explore human emotions and relationships. Every student had a chance to shine, making it a memorable and enriching experience. The club also boosts communication and public speaking skills, helping students articulate clearly, use body language effectively, and gain confidence—skills that benefit them academically and in future careers.

## BAND

K.R. Mangalam World School, GK2, hosts the Bagpipe Band Club, which nurtures musical talent and fosters teamwork and discipline. Students enhance their instrumental and music theory skills, improve coordination and cognitive abilities, and develop time management and responsibility. Group performances build collaboration and communication, while public performances boost confidence and self-esteem.

## NCC BOYS AND GIRLS

K.R. Mangalam World School, GK2, offers the National Cadet Corps (NCC) Club, which combines military discipline with personal development. NCC fosters discipline, responsibility, and respect while promoting physical fitness through training and exercises. It enhances leadership skills, teamwork, and collaboration through group activities. Additionally, NCC instills national pride and civic responsibility, teaching students the importance of serving the nation and being responsible citizens.

# CHESS

K.R. Mangalam World School, GK2, offers a Chess Club that benefits students' cognitive, social, and emotional development. Chess enhances critical thinking, problem-solving, and strategic planning, while improving memory, concentration, and focus. It promotes patience, persistence, and resilience, teaching students to deal with setbacks. Chess also develops decision-making and problem-solving skills, fostering creativity and logical thinking. Additionally, it encourages discipline and concentration, which positively impacts academic performance.

# ORGANIC FARMING

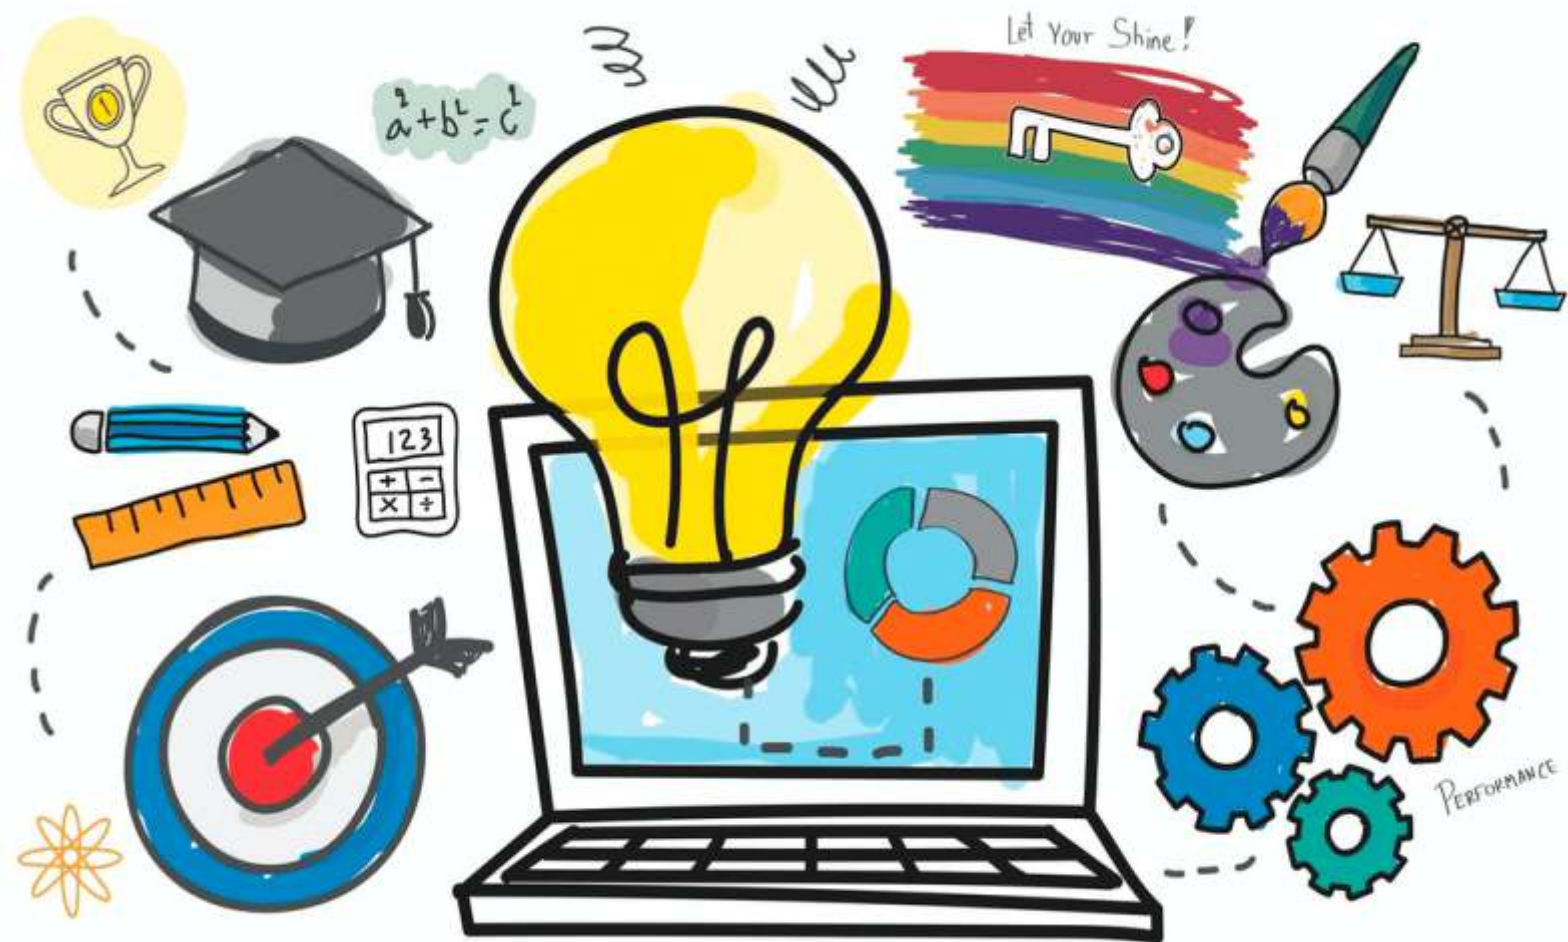

K.R. Mangalam World School, GK2, promotes environmental awareness through its Organic Farming Club. The club teaches students sustainable practices like composting, crop rotation, and natural pest control, fostering environmental responsibility. Students gain hands-on experience in organic farming, learning about soil health and agriculture. Growing their own chemical-free produce encourages healthy eating and an appreciation for organic food. The club also raises sustainability awareness and equips students with practical skills for gardening, farming, and future environmental projects.

# FILM DOCUMENTARY MAKING AND ANIMATION GRAPHIC DESIGNING AND (AI)

K.R. Mangalam World School, GK, has launched a Film, Documentary, Animation, and Graphic Designing AI Club that blends creativity with technology. Students develop skills in storytelling, scriptwriting, cinematography, and editing through film and documentary production. They also gain experience in animation and graphic design, fostering creativity and artistic expression.

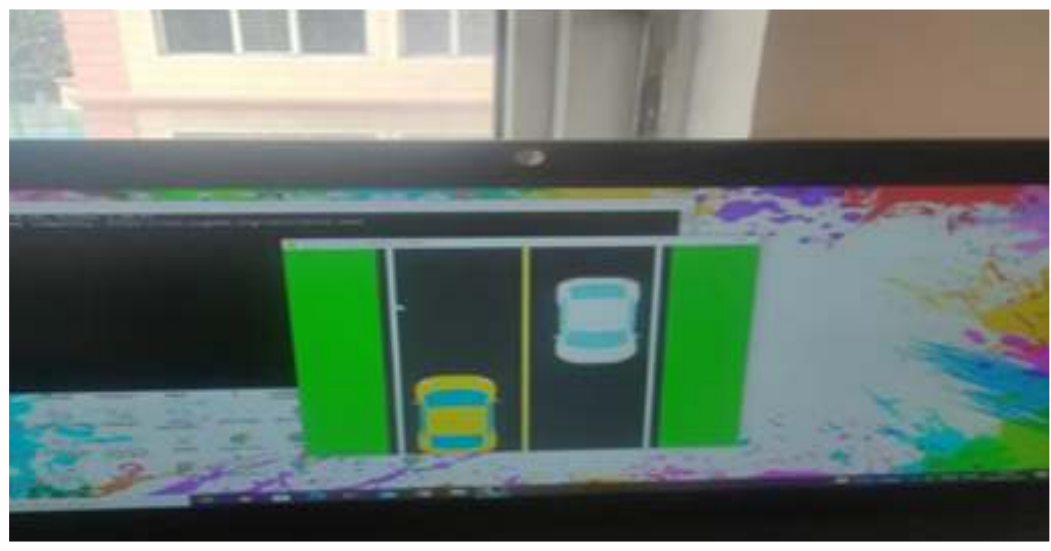

# SKILLS

# ARTIFICIAL INTELLIGENCE

K.R. Mangalam World School, GK2, has one of its latest additions to its repertoire is its Artificial Intelligence Club, an initiative born out of school's unwavering commitment to preparing students for the digital landscape of the 21st century.

Through this club, students honed their coding and programming skills, gaining the competence to address intricate problems and craft pragmatic solutions. Beyond the coding itself, collaborative projects and activities within the club facilitated an environment where teamwork thrived, and effective communication became second nature for the students. These are skills that extend beyond the realm of coding and are invaluable in every facet of their future endeavors.

# DESIGN THINKING AND CODING

K.R. Mangalam World School, GK2, values each child and incorporates design thinking to foster creativity, problem-solving, and user-centered design. This approach encourages brainstorming and exploring multiple solutions, helping students think creatively. It enhances problem-solving skills through a structured process of understanding, ideating, prototyping, and testing. Design thinking also promotes collaboration, developing interpersonal skills, and empathy by focusing on user needs and experiences, ensuring solutions are relevant and beneficial.

## BEAUTY AND WELLNESS

K.R. Mangalam World School, GK2, has launched the Beauty and Wellness Club to promote hygiene, self-care, and healthy living. The club educates students on personal hygiene, skincare, and grooming, fostering good habits and self-esteem. It also teaches practical skills in beauty and wellness. Additionally, the club encourages healthy lifestyle choices through activities on nutrition, fitness, stress management, and mental well-being, including mindfulness and relaxation techniques.

# FINANCIAL LITERACY & MARKETING

K.R. Mangalam World School, GK2, offers a Financial Literacy Club that equips students with essential skills for managing money and making informed financial decisions. The club teaches budgeting, tracking expenses, and prioritizing spending, preparing students for real-world financial responsibilities. It also covers saving, investing, and understanding interest, helping students plan for future financial goals.

# HANDICRAFT

K.R. Mangalam World School, GK2, Handicraft Club offers students a creative and enriching experience. It encourages artistic exploration, allowing self-expression through various crafts like painting, sculpture, and woodworking. Students develop fine motor skills, critical thinking, and problem-solving abilities while working on personal projects. Crafting also provides stress relief, promotes mindfulness, and teaches patience and persistence. Group projects build teamwork and social skills, while exploring cultural crafts enhances global awareness and historical understanding.

# CULINARY AND BAKING

K.R. Mangalam World School, GK2, with its culinary and baking club ensures each child learns the art of cooking and baking.

## 1. Teaches Practical Life Skills:

- **Cooking Techniques:** Students learn essential cooking and baking skills, such as meal preparation, ingredient handling, and kitchen safety, which are valuable for personal and family life.
- **Nutrition Knowledge:** The club provides an opportunity to educate students about nutrition, balanced diets, and healthy eating habits, which can lead to healthier lifestyle choices.

## 2. Fosters Creativity and Innovation:

- **Recipe Development:** Students can experiment with recipes, develop their own creations, and explore different culinary techniques, which enhances creativity and innovation.
- **Presentation Skills:** Learning how to present food attractively encourages attention to detail and an appreciation for aesthetics in cooking.

## DEBATE COMPETITION

The students of Class 8 from K.R. Mangalam World School participated in the debate competition held at Banyan Tree School. The topic of the competition was "Does social media increase anxiety and mental depression among teenagers?" Congratulations to our young leaders, Chaitya Jain and Ridu Chandna for securing the first position in this competition.

## FIRST DAY FRESH START

To kick off the new academic session, our school held a morning assembly filled with positivity and inspiration. The assembly began with a warm welcome and a motivating Thought of the Day: "The future belongs to those who believe in the beauty of their dreams." A news update followed, keeping students informed. A melodious song added joy, and the Principal's Address encouraged students to set goals, work hard, learn from mistakes, and strive for improvement. The assembly concluded with the National Anthem, fostering unity and patriotism, leaving students excited and confident for the year ahead.

# 12th TAFA Mini Football Tournament

Students of K.R. Mangalam World School, GK-II, made the school proud with achievements in both sports and technology. Current class 6th students excelled in the 12th TAFA Mini Football Tournament in the Junior Boys category, showcasing their determination. Meanwhile, class 8 th students received certificates of completion from the centre for development of telematics (C-DOT) for successfully completing an online training course in Java and Python. These accomplishments highlight the school's commitment to holistic education.

## WORLD THEATRE DAY

The world theatre day was celebrated with a vibrant assembly for classes 3 to 9, highlighting theatre's power as a social catalyst. The event featured a thoughtprovoking Mime Act on the impact of technology, portraying its overuse as a double-edged sword.

Another standout was a segment on Dharamvir's Bharti timeless classic, Andha Yug, exploring the moral dilemmas of war. The assembly emphasized how theatre transcends entertainment, shaping perspectives and inspiring change. Mrs. Subarna, junior school coordinator, addressed the gathering, reinforcing theatre's role in society. The celebration left a lasting impression.

8 April, 2025

## Class: VIII-A

The students of Class VIII- A conducted their class assembly on the theme “Good Health and Well-Being” on Tuesday, 8 April, 2025. The assembly began with, morning prayer, and the news update covering National, International, KRM, Sports news, and weather forecast. Students highlighted the importance of healthy habits through a Nukkad natak, showing how balanced diet, exercise, hygiene, and mental wellness contribute to overall well-being. A motivational song on fitness and positivity was also performed.

The assembly concluded with a speech reinforcing the message that good health is key to a happy and successful life. It was an informative and inspiring presentation.

April 17, 2025

## Class: VIII-B

Theme: Dr. B.R. Ambedkar(Right to equality )and World Heritage Day

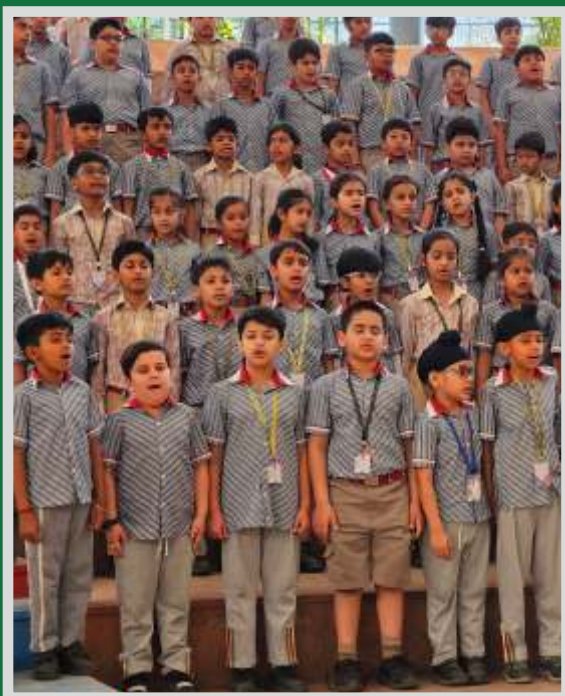

Class VIII-B presented an inspiring assembly on "Dr. B.R. Ambedkar and World Heritage Day." The program began with a morning prayer, followed by a news update on national, international, KRM, sports news, and the weather.

Highlights included:

1.Speech on Right to Equality: Parineeti Malhotra shared insights on Dr. Ambedkar's contributions to social justice.

2.Dance Performance: A captivating dance showcased the world's rich cultural heritage.

The assembly concluded with the National Anthem, leaving a lasting impact on the audience, beautifully merging Dr. Ambedkar's legacy with World Heritage Day.

## Class: VIII-C

On Earth Day, Class VIII-C held a special morning assembly on "Affordable and Clean Energy" to raise awareness about sustainable energy. The assembly began with a prayer, followed by news updates on clean energy and Earth Day initiatives. Students performed a song, "One Utsav," celebrating the planet and the need to protect it. A rap on energy conservation and renewable sources added rhythm and enthusiasm. The Earth Day pledge was taken by all, promising to protect the planet. The Vice-Principal's motivational speech inspired the audience to embrace sustainability, and the assembly ended with the National Anthem, leaving everyone more conscious of their environmental responsibility.

## Class: VIII-D

An assembly on 'Contribution of our support staff' was presented at K.R. Mangalam World School, GK-II by the students of class VIII-D on 1 May 2025. The objective of this assembly was to recognise and appreciate the valuable contributions of the support staff in our school and to instill a sense of respect and gratitude among students.

The assembly began with a warm welcome and the morning prayer. Students then presented the National news, International news, KRM news, the weather report and the thought of the day.

The assembly was an educational initiative aimed at fostering empathy and awareness about the essential roles played by the non-teaching staff in the smooth functioning of the school.

The highlight of the assembly was a heartfelt tribute by students, which included speeches, skits, and thank-you cards prepared especially for the support staff. It was a positive step towards building a more inclusive and appreciative school environment.

# NRITYA TARANG

A celebration of rhythm, grace and cultural expression came alive at K.R. Mangalam World School, GK-II as the school proudly hosted the much awaited Nritya Tarang Inter- School Dance competition on 29th April, 2025. Talented students from various schools across Delhi NCR showcased their skills in three vibrant categories- Indian classical dance, folk dance and hip hop & Jazz- each performance reflecting creativity and passion.

The event was judged by Ms. Aakansha Ray, Ms. Anuradha Krishnan and Mr. Prashant Bhandari, whose expertise added immense value. A moment of great pride was the presence of Vidhushi Madhavi Mudgal ji, an iconic Indian classical dancer, Padma Shri and Sangeet Natak Akademi awardee, who felicitated the winners and left the young performers inspired by her gracious words. The event was an overwhelming success, leaving a lasting impact on all who participated and witnessed the celebration of dance.

## Class: VIII -F

An assembly was presented at K.R Mangalam world school , Gk-II by the students of class 8F.

The students conducted a meaningful and enlightening morning assembly on the topic "Spreading Peace Across the Society", emphasizing the importance of peace, unity, and justice in the world. The assembly commenced with the morning prayers, followed by the news updates, where students presented the latest national, international, sports, and school news, keeping everyone informed and aware.

The central theme of the assembly focused on Lord Buddha, revered as the Shanti Dhoot (Messenger of Peace), who preached non-violence, tolerance, and compassion. Students voiced powerful and inspiring slogans promoting peace and justice in society. A moving poem was recited that reflected the ideals of love, non-violence, and unity. A melodious and emotional patriotic song was presented to pay tribute to the brave war fighters who selflessly protect our nation and maintain peace.

The assembly also connected strongly with Sustainable Development Goal 16 –Peace, Justice and Strong Institutions, urging all to stand against violence and injustice while fostering inclusive and peaceful communities.

# BAISAKHI CELEBRATION

On April 11, 2025, students of Class 10, K.R. Mangalam World School celebrated Baisakhi with a lot of enthusiasm. The event featured a soulful musical performance, energetic dance, and a thought-provoking skit highlighting the festival's significance.

The students' creativity and teamwork were commendable. Their hardwork was praised by all and that encouraged them to participate more in cultural activities.

The event was a great success, promoting cultural awareness and teamwork among students.

## MORNING ASSEMBLY

The morning assembly on April 17, 2025, themed "Heritage Conservation & Climate Change" (SDG-13: Climate Action), was presented by Class X-A and X-B. Students showcased Delhi's iconic landmarks like Red Fort and Qutab Minar, as well as India's remarkable heritage sites such as Taj Mahal and Ajanta Caves. The assembly highlighted the importance of preserving cultural heritage for future generations, emphasizing the connection between heritage and environment.

The assembly was concluded with the rendition of the National Anthem

## MORNING ASSEMBLY REPORT

On April 24, 2025, students of Class 10C conducted a thought-provoking morning assembly on the theme "Invest in Our Planet," focusing on Sustainable Development Goal 13: Climate Action.

The assembly featured a soulful morning prayer, an inspiring thought of the day, and news headlines. A powerful speech on environmental conservation emphasized the urgent need for collective responsibility, followed by a heartfelt recitation of the poem "Heal the Earth." The event aimed to raise awareness about climate action and encourage students to adopt eco-friendly practices, becoming responsible global citizens.

## DIGNITY OF LABOUR

Class X-D organized a heartfelt assembly on Labour Day to celebrate the invaluable contributions of our school's support staff. The program featured a thought-provoking poem and skit highlighting the importance of respecting all forms of work. Students also prepared handmade thank-you cards and distributed sweets, expressing gratitude for the staff's tireless efforts. The assembly served as a poignant reminder of the dignity of labour and left a lasting impact on the audience.

# NRITYA TARANG: A GRAND DANCE CELEBRATION

K.R. Mangalam World School, GK-II, hosted 'Nritya Tarang,' an Inter-School Dance Competition, on April 29, 2025. The event showcased talented young dancers from Delhi NCR, featuring captivating performances in Indian classical, folk, hip-hop, and jazz.

A distinguished panel of judges evaluated the performances, and the event was graced by the presence of iconic dancer Vidushi Madhavi Mudgal ji, who inspired young performers. The event provided a platform for students to express and shine, celebrating cultural diversity and creativity, and left a lasting impact on participants and audience members. Overall, Nritya Tarang was a grand success, promoting the art of dance and nurturing young talent.

## STUDY ABROAD SEMINAR

On May 9, 2025, K.R. Mangalam World School, GK-II, hosted a valuable session on study abroad opportunities for students of classes XI and XII. Renowned career counselor Mr. Jitin Chawla and Mr. Tarun Goswami shared expert insights on global career prospects, cultural exposure, and high-quality education.

The seminar provided clarity on courses, popular destinations, scholarships, and financial aid options, empowering students to make informed decisions about their future. The school extends its gratitude to the experts for their guidance, which will surely have a lasting impact on the students' academic and professional journeys.

# LEADERSHIP CAMP

K.R. Mangalam World School's leadership camp was a transformative experience for students. The camp featured various sports activities, a visit to Gurgaon Rock Sport, and engaging group activities that fostered teamwork, communication, and problem-solving skills. Students developed confidence, resilience, and leadership qualities, gaining valuable insights and memories. The camp's impact will undoubtedly shape their future endeavors.

# INTERHOUSE FOOTBALL TOURNAMENT

Our school hosted an exciting Interhouse Football Tournament in the month of May, divided into three age categories: classes 6-8, 9-10, and 11-12. Everyone participated with a lot of enthusiasm and dedication.

Sapphire house dominated the tournament, emerging as the champions in all three categories!

Congratulations to all the participants for their outstanding performance!

## FIELD TRIP

The students of Class X from K.R. Mangalam World School, GK-II, visited the National Science Centre, where they explored various galleries, including Digital World, Water Conservation, and Human Biology. The highlight of the trip was the Science on Sphere Show, which provided an immersive learning experience about environmental processes. The visit was both educational and enjoyable, enhancing their scientific knowledge and igniting curiosity about the world. The trip was a unique opportunity for students to witness science in action and develop a deeper appreciation for its real-world applications.

# INVESTITURE CEREMONY

On May 16, 2025, K.R. Mangalam World School, GK-II, hosted its Investiture Ceremony for the academic session 2025-26. The event celebrated student leadership and responsibility.

The ceremony included the induction of new student council members, a handing over ceremony, and an inspiring address by the Chief Guest. The Head Girl took an oath to uphold the school's values and lead with enthusiasm and commitment. The event concluded on a note of pride and anticipation for the new academic session.

*'Yoga for One Earth, One Health'*

## INTERNATIONAL YOGA DAY

On the occasion of International Yoga Day, celebrated on June 21, KRM organized a special event where students showcased their mastery of various yoga poses. The event saw enthusiastic participation from students, teachers, and parents alike. The students' performances were truly impressive, demonstrating flexibility, balance, and focus. The event highlighted the importance of yoga in promoting physical and mental well-being. The celebration was a resounding success, fostering a sense of community and wellness among all participants. Kudos to KRM for promoting yoga and its benefits!

# PROFESSIONAL DEVELOPMENT PROGRAM (PDP)

K.R. Mangalam World School organized a 5 days PDP session for teachers from June 17- June 21, 2025. The program focused on enhancing teaching skills, pedagogical innovations, and best practices.

The PDP session covered various topics, including classroom management, technology integration, and student-centered learning. Experienced facilitators led interactive sessions, workshops, and discussions, providing teachers with valuable insights and takeaways.

The PDP session was a valuable experience for teachers, equipping them with the skills and knowledge to excel in their profession.

Cambridge Assessment  
International Education

Cambridge International School

# CAMBRIDGE WING

## Global Learners: A Glimpse into Cambridge Life Nurturing

The Cambridge curriculum, offered by Cambridge Assessment International Education, is a world-class educational programme designed to develop confident, responsible, reflective, innovative, and engaged learners. At its core, the curriculum empowers students with the skills and knowledge required to thrive in an ever-evolving global environment. With a strong emphasis on inquiry-based learning and conceptual understanding, it fosters analytical thinking and encourages learners to explore beyond textbooks.

At K.R. Mangalam World School, GK-II, the Cambridge Wing is committed to implementing this global curriculum through a dynamic and engaging learning environment. The approach is holistic—blending academic rigor with personal development. Learners are supported to become independent thinkers and effective communicators, with a strong focus on real-world connections, interdisciplinary learning, and digital literacy.

# EARLY YEARS ADAPTATION PROGRAMME

Our Early Years stars were welcomed with open arms during a fun-filled 4-day Adaptation Programme designed to ease them into their new school environment. Each day brought something magical — from dressing up in sparkles and dancing to music , to exploring nature, diving into underwater fun, and ending with a wild jungle jamboree.

Through playful activities like magic shows, pottery, storytelling, and mask making, our little ones bonded with their classmates and teachers, making their first memories of school unforgettable

Our power,  
Our Planet

## EARTH DAY Celebration

This Earth Day, our Cambridge students from Early Years 1 to Grade 10 came together to celebrate our planet with purpose and passion.

They began the day by taking a meaningful pledge—to protect, preserve, and care for the Earth in every little way they can. From planting saplings and creating art from recycled materials to thoughtful discussions on sustainability, our learners engaged in hands-on activities that highlighted the importance of environmental responsibility.

These young changemakers remind us that no step is too small when it comes to saving our planet.

Let's nurture their spirit and work together for a greener tomorrow!

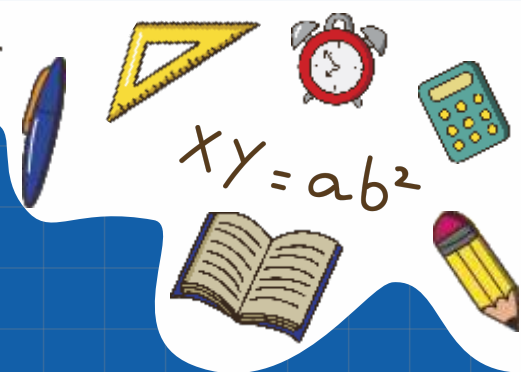

# Early Years Activity: FRUIT PUNCH

K. R. Mangalam World School Cambridge, GK- 2 organised a 'Summer Fruit Punch Making Activity' for the students of Early Years on Wednesday, April 23, 2025.

The teachers and learners enjoyed this splendid activity in the classroom . Our little learners had a great time preparing the punch by pouring a dash of Roohafza and squeezing the lemon, mixing in the summer fruits and elevating the drink further more with a few sprinkles of mint leaves and a good stir of the mixture with their tiny hands. One could sense the excitement around and the sparkling eyes as they prepared the refreshing summer magic punch with all the nutrients and power of fruits . It was a fun based learning experience for our little ones which will be cherished by them forever.

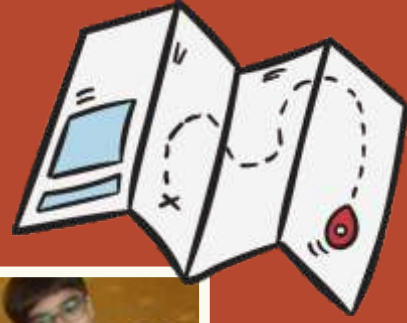

# MATH WIZARD

The SIP Academy provided the students of K.R. Mangalam World School Cambridge, GK-II, with an exceptional opportunity by conducting the School Math Wizard Contest 2025—a prestigious event designed to celebrate and elevate young mathematical talent. Budding scholars from Grades 1 to 5 enthusiastically participated, showcasing their numerical brilliance and problem-solving flair.

This dynamic competition not only reinforced core mathematical concepts but also enhanced logical reasoning and analytical thinking. It inspired a genuine love for learning, boosted self-confidence, and instilled a spirited sense of healthy competition—nurturing the math wizards of tomorrow.

## JIM CORBETT TRIP

Young learners of K.R Mangalam World School, GK-2, Cambridge wing, enthusiastically started their 3 day trip to Jim Corbett from April 14 to April 16, 2025. The trip successfully blended learning, adventure and cultural exposure, leaving the learners enriched, confident and deeply connected to nature.

# PARENT-TEACHER MEETING

The Cambridge Parent–Teacher Meeting at K.R. Mangalam World School, GK-II, was held for Early Years 1 to Grade 10, fostering meaningful interaction between parents and educators. Teachers shared valuable feedback on students' academic progress and personal development, while parents gained insights into the Cambridge curriculum and classroom practices.

Student work displays highlighted the inquiry-based learning approach, and discussions focused on collaborative strategies to support each learner's growth. The PTM reinforced the strong school–home partnership essential for holistic development.

Overall, the PTM reflected a shared commitment to nurturing curious, confident, and independent learners, aligned with the vision of the Cambridge curriculum.

# HAPPY Mother's DAY

## Early Years MOTHER'S DAY CARD

The quote is true-: "Home is where Mom is" It carries a deep meaning as it reminds us of the loving presence and guidance that a mother provides. To mark this occasion of Mother's Day, the Early Years learners participated in a joyful and creative hand print card-making activity to show love and appreciation for their mothers. The activity was held in the classroom and was designed to encourage children to express their feelings through art and craft.

# MATHLETICS MANIA

Grade 3 learners at K.R. Mangalam World School, GK-II, Cambridge explored math creatively by building pyramids with paper cups! While stacking, they learned about 3D shapes, especially pyramids, and practiced counting and addition.

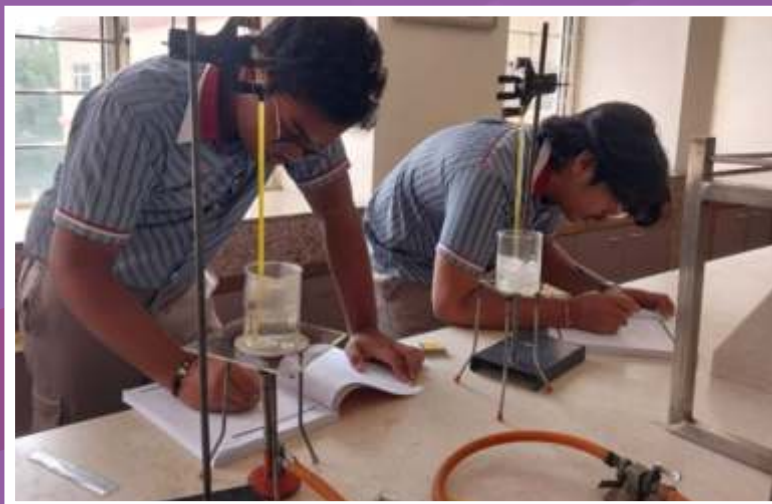

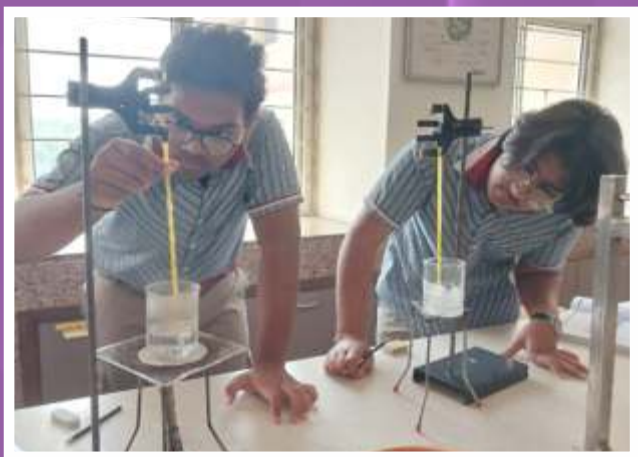

Some students noticed a pattern- how each row had one less cup than the one below, introducing them to concepts like number sequences and triangular numbers. It was exciting to see how a simple activity revealed so many fascinating math concepts!

Grade 1 learners enthusiastically explored different shapes using the Aakar Parivar learning kit. They creatively used various 2D shapes to form patterns and design different objects, making the learning experience both engaging and fun.

Class 1 students at K.R. Mangalam World School, GK-II, Cambridge had an exciting time learning about greater than and less than through a fun hands-on activity. Using popsicle sticks, they made playful crocodile mouths to compare numbers—snapping them open wide for the bigger number! This creative and interactive approach made the concept easy to understand and brought lots of smiles to the classroom.

Grade 3 learners participated in an engaging 'Temperature Game,' where they picked chits showing various rises and falls in temperature. Based on the indicated values, they then matched and selected chits representing countries experiencing those specific temperatures.

## SCIENCE

The Young learners of K.R Mangalam World School, GK-2, Cambridge wing carried a lily flower and were excited to know how a flower functions with all its parts beautifully. This learning engagement allowed our learners to express their observations, while learning about the structure and function of a flower.

Our Grade IX students were engaged in hands-on activities to explore the changing states of matter. The lab activity involved observing the transformation of ice cubes into water and then into steam by heating. Demonstrating the processes of melting and vaporization. Students made heating curve and cooling curve for the same.

## DEFENCE MOCK DRILL

Civil defence mock drill was conducted in the school on 7th May, 2025. The mangalites of the Cambridge wing, K.R Mangalam World School Gk2, were briefed on how to prepare themselves in case of any emergency situations. An interactive session conducted by Ms. Anju Sen, Physical education facilitator and NCC officer in the school. They demonstrated the same during the drill.

# INVESTITURE CEREMONY

"The pessimist complains about the wind, the optimist expects it to change but the leader adjusts the sails." - John C. Maxwell

Investiture means a formal investing of a person with authority, power, right and dignity. The ceremony was held on 16th May 2025 at K.R Mangalam World School, GK 2, to badge the newly elected leaders of academic year (2025-26) and selected council members, who would be leading all the curricular and co-curricular activities and work with the team effort and bring out new and challenging events of this year with all the success. Led by Dr. Jyoti Gupta (Director Principal) and attended by our chief guest, Ms. Perna Singh, ACEO Greater Noida Authority.

Sukrit Gupta, Grade 6 from the Cambridge wing was elected as Vice Head Boy.

## CLASS PARTY

On the last day before summer vacation, students at K.R. Mangalam World School, GK-II, Cambridge enjoyed a lively class party filled with laughter and cheer. They watched an entertaining movie, shared tasty treats, and made the most of their time together. The classroom buzzed with excitement as everyone soaked in the joy of the moment. It was the perfect send-off before the holidays, and we hope all our students have a fantastic summer break filled with fun, adventure, and special moments with friends and family!
